Minimum Advertised Pricing (MAP) Policy

BellissiMoto Inc. strictly enforces its MAP policy which declares that all items must be advertised at their full retail price (as defined by our retail/dealer price lists).

To advertise products for less than our listed retail price (as shown by the distribution list, or our own website), you must contact us, in writing for permission.

These rules apply to: Ebay listings, Website listings, "Add to Cart" & "Member Pricing", Print Advertisements, and any other form of advertisement that indicates a lower than retail price such as; "Contact us for your price".

In-Store advertisements are excluded from our MAP Policy.

Infractions for disobeying this policy - regardless of reason (on purpose or by mistake), will initially result in a written warning. Repeat offenders will be suspended, and then dropped all-together from our supply chain.

BellissiMoto Inc. reserves the right to modify this agreement as they see fit, and holds sole discretionary power to decide what constitutes infractions.

Now go make money and have fun! These products are the best in the world and will rarely result in a disappointed customer.
