Back !

BLADE EVO

Feel the fear – the Blade is back ! With its new, more aggressive colour scheme, it's the jacket for hardcore racing fans. Made from the same leather as our race suits, the Blade steps off the track to offer complete on-road protection.

New for 2017 : black-red

→ Protection/Security

- ✓ Blade EVO is CE homologated as PPE.
- ✓ Main external material : premium cow leather, as per our race suits
- ✓ Furygan Skin Protect lining approved by Furygan's R&D (Motion Lab) to reinforce leather products in terms of tearing and abrasion resistance.
- ✓ D3O CE protectors for shoulders and elbows, which offer full protection without restricting comfort and freedom of movement.
- ✓ The back protector pocket is compatible with D30's "Central Back" (level 1) and "Full Back" (level 2) back protector, available as an added option.
- ✓ Areas exposed to abrasion and or tearing in a crash situation are reinforced with triple stitching.

→ Ergonomics/Comfort

- ✓ Sport fit
- ✓ Thermal padded lining with aluminium inserts on the chest for maximum protection against the cold.
- ✓ Leather stretch above the elbows and the shoulders, plus high tenacity bi-stretch inserts at armpits for more comfort.
- ✓ Neoprene inserts on collar and wrists.
- ✓ Waterproof treated leather.
- ✓ Two connecting zips (one short and one full) mounted on an elastic belt.
- ✓ Three pockets (one inside, and two outside).
- ✓ Adjusters on the waist.
- ✓ Internal technical lining. Made from Coolon, a material designed to maximize breathability, moisture absorption and comfort.
